

More about

Leadership

Inspiring and driving potential in people is what drives me everyday. Inviting people to share their challenges and work together in finding better solutions is what I do every day.

Event management

I have been organizing events for the last 3 years.

Online events, Offline events,

Business events, etc.

Are no secret for me anymore.

ENFP

People are my fuel. I am not shy of starting a conversation. Questions are my drive in conversations, being able to learn from every individual. Learn, dream and improve.
